

Social Boost

Social Boost is a unique and proprietary technology that allows your loyal campaign supporters to become 'Ambassadors' of the campaign's news feed. Each time the campaign posts news, the Ambassador's social network status on Facebook, Twitter, LinkedIn, and MySpace is automatically updated with the campaign's news. Social Boost is sure to take your campaign GeoViral!

About Us

Political Boost provides cutting-edge software products coupled with a robust suite of services to political candidates. Our offerings consolidate several critical campaign-related needs, as well as delivers phenomenal support to ensure you have an end-to-end solution for signage and collateral, online marketing, data management and campaign messaging.

Our highly intuitive professionals have diverse backgrounds in politics, Internet marketing, finance, information technology and communications. Bottom line; we vow to be a game-changer for every client we serve.
